

WREA and WiRSA Job Connection

WREA and WiRSA are joining forces to connect school districts with hard to fill partial positions and long term substitute positions with retired educators looking to get back into the workforce part time to share their knowledge and love of education with the students of rural Wisconsin.

District Administrators and or HR personnel can complete the form below to post a partial position or long term substitute position for posting on the WREA website. There is no cost for the posting this is a service of WREA and WiRSA.

Job Location and WREA District ([See Map](#)):

Mount Horeb Area School District (District V)

Job Title: HS Math - Algebra A&B, Algebra & Geometry

Job Description:

The Mount Horeb Area School District is now accepting applications for a math teacher (Limited Term Contract) assignment at the High School. The contract is through the remainder of the 18/19 School Year.

Maintains accurate student progress and behavioral records.

Collaboratively works with teammates including classroom and specialist teachers.

Adept at innovative and creative approaches to reaching all students via differentiation.

Qualifications:

DPI Certification/Licensure: Math (1400) is preferred.

Demonstrated ability to build positive, nurturing relationships with all learners.

Strong demonstrated mission to be an educator.

Excellent background in current teaching and learning strategies specifically with algebra and geometry.

The ability to analyze, synthesize and implement data that supports and enhances student academic and affective learning.

Course work and/or other training relevant to current trends and learning strategies.
