

WE PROTECT YOUR RETIREMENT

Dear Retiree,

What an exciting time this is for you. You have worked hard for many years and now you begin a new chapter of your life.

Your pension is now the key ingredient for feeling secure about your future. It will enable you to enjoy all the activities and travel you have been planning.

That is why you need the Wisconsin Retired Educators' Association.

WREA protects your pension dollars, so you don't need the stress about bad things happening to your investment.

These are uncertain times, and the political landscape surrounding your pension is precarious. More than ever, you need WREA to be your full-time watchdog to help protect your lifetime investment.

WHAT MAKES WREA SPECIAL?

- You are our main focus! WREA continues to monitor and protect the WRS trust fund.
- WREA is the #1 lobbyist in fighting to protect your pension and was the lead plaintiff in a successful Supreme Court case that challenged a 1987 raid on the WRS trust fund.
- More than 90% of our revenue is spent on YOU and services for YOU.
- We promote and publicize quality education in public schools.
- We are independent, non-partisan, and do not give money to politicians.
- We are not a union!
- We offer many unique, attractive member benefits that serve to enhance our members' retirement lifestyles.
- Through the WREA Foundation, scholarships and grants are awarded to innovative programs, and outstanding teachers.
- Through our 60 local units there are opportunities for you to socialize, volunteer and rekindle friendships and meet new people.
- YOU are provided extensive communication via our website, Facebook page, WREA News, Legislative Alerts, Legislative Updates, monthly eNewsletters the Red Apple Express, Green Apple Express, and WREA's committee structure.

Sincerely,

Diane Wilcenski
