

Top 10 key facts that set WREA apart from others:

1. We offer 28 unique, attractive member benefits that serve to enhance our members' retirement lifestyles.
2. We are the only retired educator association in Wisconsin that is 100 percent dedicated to retired educators and that has no other agenda than to serve the interests of our members.
3. WREA is the #1 lobbyist in fighting to protect your pension and was the lead plaintiff in a successful Supreme Court case that challenged a 1987 raid on the WRS trust fund.
4. We are the only retired educator association that represents all retired educator groups – teachers, administrators, technical colleges, universities, business officials, CESA, special needs administrators, and school support personnel.
5. We work positively with other public school groups to actively support public education, including school administrators who are our allies not our adversaries.
6. We financially support public school innovative programs and outstanding teachers each year.
7. We are the only retired educator association in Wisconsin that spends 92 percent of its revenue on in-state member services.
8. We are not a union, and we are not affiliated with any national organization that influences our agenda.
9. We are non-partisan and independent which means we do not favor either the Democrats or the Republicans, do not endorse candidates, and do not make financial contributions. This gives WREA credibility in the legislature.
10. We are the only retired educator association whose members can claim more than \$10 million worth of community service hours statewide, as part of our focus on giving back to communities.
