

WREA and WiRSA Job Connection

WREA and WiRSA are joining forces to connect school districts with hard to fill partial positions and long term substitute positions with retired educators looking to get back into the workforce part time to share their knowledge and love of education with the students of rural Wisconsin.

District Administrators and or HR personnel can complete the form below to post a partial position or long term substitute position for posting on the WREA website. There is no cost for the posting this is a service of WREA and WiRSA.
